加藤元久インタビュー
Kato Motohisa Interview

This set of five tapes records an interview that Takazawa Kōji and a Kōdansha editor conducted with “Shonen B,” a high school student who was brought to the Rengō Sekigun camp by his older brother and was present throughout the Rengō Sekigun Incident and was eventually captured at Asama Sansō. Because he was a minor his case was handled by the juvenile court and he was not part of the Rengō Sekigun trials. He was encouraged to forget about what had happened, while the others reinforced specific recollections constantly through the trial process. In the early 1990s he consented to an interview with Takazawa Kōji, which Takazawa subsequently used for an article that was published in the magazine Gendai. These interview tapes are severely restricted and require special permission even for onsite research use. No duplication of the materials is permitted, and the highest level restrictions apply to any direct use of the material for publication.
