## 武石和実(たけいしかずみ)文書 Takeishi Kazumi Sub-Collection

武石和実氏は1960年代後半から70年代前半にかけて第四インターナショナル日本支部(通称:第四インター)という新左翼の一部として抗議活動を続けた団体に所属していた学生活動家でした。氏は後に沖縄に引っ越し、出版、古書販売に携わり現地の労働運動、米軍基地問題の運動に参加していました。武石文書は第四インターナショナルの出版物、そして1970年代、80年代の沖縄における社会運動に関する数多くの資料を有しています。

Takeishi Kazumi was a student activist during the late 1960s and early 1970s who participated in the organization Dai Yon Intānashonaru, Nihon shibu (Fourth International, Japan branch, nicknamed Dai Yon Intā), which engaged in protest activities as part of the Japanese New Left. He later moved to Okinawa, where he became a publisher and was active in local labor and anti-base movements. The Takeishi sub-collection contains publications from Dai Yon Intānashonaru plus extensive primary materials from social movements in Okinawa during the 1970s and 1980s.
